

WORRIED ABOUT COVID-19?

Take the self-assessment tool online at covid-19.ontario.ca

Call NWHU at 1-866-468-2240

Call your primary care provider (doctor or nurse practitioner)

POSITIVE SCREENS

are referred to the Assessment Centre.

Appointment for testing will be scheduled:

- at the Assessment Centre for Kenora residents

- **at community check-point for First Nation residents**

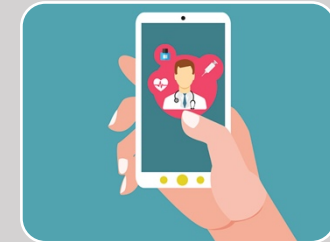

ASSESSMENT & TESTING

Nasal swab is taken by a mobile testing team

Based on health history you may be:

- sent home to self-isolate
- referred to a community isolation space
- referred to an isolation space in Kenora

MONITORING & FOLLOWUP

- results will be communicated when they are received
- a care team will check in regularly to monitor health status and provide care as required
