PRIMARY CARE – Call US!

Doctor's offices in Kenora are still open to patients

If it is not an Emergency - please call your doctor's office:

- For safety most visits will be done by video or telephone
- Some patients will be seen in person if deemed necessary by the doctor/NP
- Your doctor/NP can refer for COVID-19 testing if appropriate
- Other primary care programs/services are still available in addition to doctor/NP:

SCFHT:

- Asthma/COPD clinic
- Diabetes education
- hypertension clinic
- INR clinic
- Lactation
- Occupational therapy
- Pharmacist services
- nutritional counselling
- smoking cessation
- social work

cancelled until further notice

- bariatric group, pap-a-palooza, memory clinic, craving change, footcare appts

WNHAC:

- diabetes education
- emotional wellness therapists
- nutritional counselling
- community health nursing
- home and community care supports

cancelled until further notice

- visits for routine screening, physical exams, driver's physicals, child and family services physicals
- Hostel and Healing Lodge services

Examples of an Emergency – call 911 or present to

Emergency department:

- Pain or pressure in chest
- Severe shortness of breath at rest
- Difficulty breathing
- Cold, clammy or pale and mottle skin
- New confusion
- Becoming difficult to rouse
- Blue lips or face
- Severe pain
- Sudden loss of sensation, paralysis, ability to speak or see

An Emergency is NOT:

- A prescription renewal
- A routine diabetes check
- A routine blood pressure check

If you do not have a doctor or NP:

A) Call GOOD DOCTORS phone # : (1-888-818-3254)
