All Nations Health Partners host Public Announcement December 4th

The All Nations Health Partners (ANHP) invite all community members and media to a public event on Wednesday, December 4, 2019, at 3:00 p.m. in the Rosewood Terrace room of the Clarion Lakeside Inn. The Hon. Greg Rickford (Kenora-Rainy River), Minister of Indigenous Affairs and Minister of Energy, Northern Development and Mines, will be making an important announcement that will impact and be of interest to everyone in the Kenora region.

The ANHP is a coalition of leaders in Indigenous and mainstream health services in the Kenora region, working toward inclusivity through comprehensive partnerships. The ANHP is looking to improve health care systems to focus on people first and better serve the unique needs of our communities.

KCA Board President Chief Lorraine Cobiness says, “Working together, we aim to deliver culturally appropriate health care services from hospital to home no matter who you are or where you live in the region. What we see now is the beginning of our vision coming true.”
