

KENORA DISTRICT COVID-19 UPDATES

**ALL NATIONS
HEALTH PARTNERS
FEBRUARY 16, 2021**

The All Nations Health Partners work together to share information throughout the COVID-19 pandemic. This update will be published weekly or on an as needed basis and shared to the **All Nations Health Partners facebook** and website (**ANHP.net**) for as long as necessary to keep the public informed of the situation update, services, closures, advisories, etc.

The All Nations Health Partners take COVID-19 very seriously. This is a fluid situation; please take the time to read this and all communications related to COVID-19. Each of us has a civic duty to remain up to date and informed, and comply with the details of this evolving situation.
